

Introducing a new way to access a more powerful **SAIL**.

The new way to access SAIL
integrate.sail.northeastern.edu

Introducing exciting SAIL product updates to make your experience easier and more intuitive:

- **One web login** whether you're an educator or a student
- A more flexible **opportunity creator and manager**
- Create groups of learning opportunities to advance programs through **linking**
- Go beyond the SAIL competencies by tagging your learning opportunities to **disciplinary skills**
- **Copy information** from one opportunity to the next
- **Give feedback** on learners' skills
- Email and in-platform **notifications and alerts** that engage your students and colleagues
